TERROR
TAKES CONTROL!

WELCOME TO THE 21st CENTURY!

Dateline: October 2087

Station: Skyvault

Hi, there! Ace McCloud here, back from Moonbase and ready to welcome you to this super sixth issue of **Centurions Comic**. I think we have more action and adventure this month than ever before. As if **Doc Terror** wasn't enough to deal with, another menace returns in this issue: **Garrett**, the man who stole the Project Centurion prototype exosuit. I hope you enjoy the tale of his comeback. I'm off now to begin work on issue 7, when great things will be happening to Centurions Comic. It all happens on **November 26th. Be there! Keep 'em flying!**

Ace

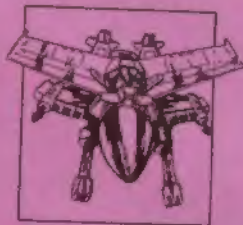

Send all letters to: **Centurions Comic, PO Box 111, Great Ducie Street, Manchester M60 3BL.**

Subject:

**DOOM DRONE
STRAFERS**

Data follows:

Strafers are Doc Terror's robotic planes, used for air assault. They are in fact just bomb-carrying Doom Drones and operate equally well in the inner atmosphere as they do in near-Earth orbit. This makes them a dangerous threat both in ordinary aerial combat and in space. Strafers can even be attached to Doc Terror or Hacker through their cyborg halves—giving added power to the evil duo!

Fact File: CRYSTAL KANE

Status: Operations Leader—Skyvault

Birthplace: San Francisco

With a physicist father and mathematician mother, Crystal Kane was brought up to have an interest in science. This upbringing has stood her in good stead in her career and she was selected as the ideal person to oversee the whole of Project Centurion. She has an unrivalled command of computers and is quick and cool in solving problems, both practical and abstract. Although she often seems cold and calculating, particularly when she dismisses Ace's advances, she does care deeply about her Centurions. Her primary concern is for their welfare as they face the dangers of being the 21st Century's most elite military unit. So she sometimes even overrides their preferences for Assault Weapons Systems if she thinks her choice will make them more likely to succeed in their mission.

LATER, IN THE BOARDROOM OF ONE OF THE WORLD'S FOREMOST MANUFACTURERS OF MILITARY HARDWARE AND WEAPONRY...

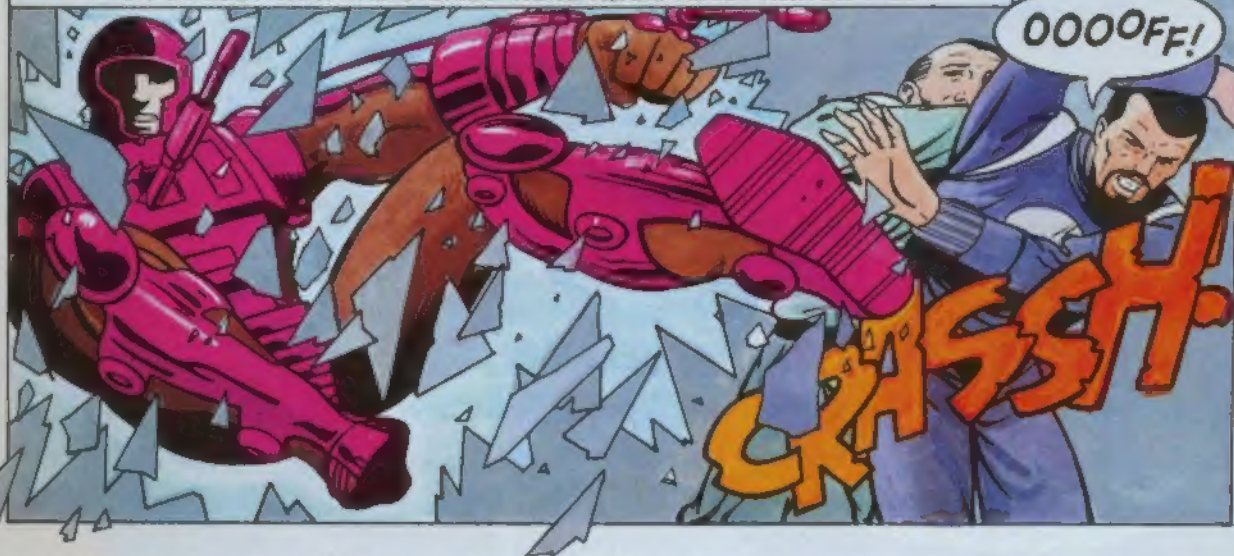

LUDWELL INDUSTRIES
Nothing can stop us

WELL, CLARKE, HE'S LATE. IT DOESN'T LOOK LIKE YOUR MAN IS GOING TO TURN UP...

NOTHING CAN STOP US!

"IN FACT, I DOUBT THAT THE STORIES WE'VE HEARD ABOUT HIM ARE TRUE..."

I'M GLAD YOU COULD MAKE IT, GARRETT!

I DON'T SUPPOSE YOU THOUGHT OF USING THE DOOR?

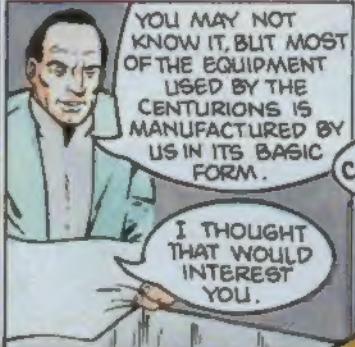

*GARRETT STOLE THE CENTURIONS' PROTO-TYPE EXOSUIT IN ISSUE 2 - EDITOR.

LET'S CUT THE FORMALITIES AND GET DOWN TO BUSINESS. YOU WERE INTERESTED IN HIRING MY SERVICES. I DON'T COME CHEAP...

I KNOW, BUT LUDWELL INDUSTRIES IS A BIG COMPANY. YOU CAN NAME YOUR PRICE.

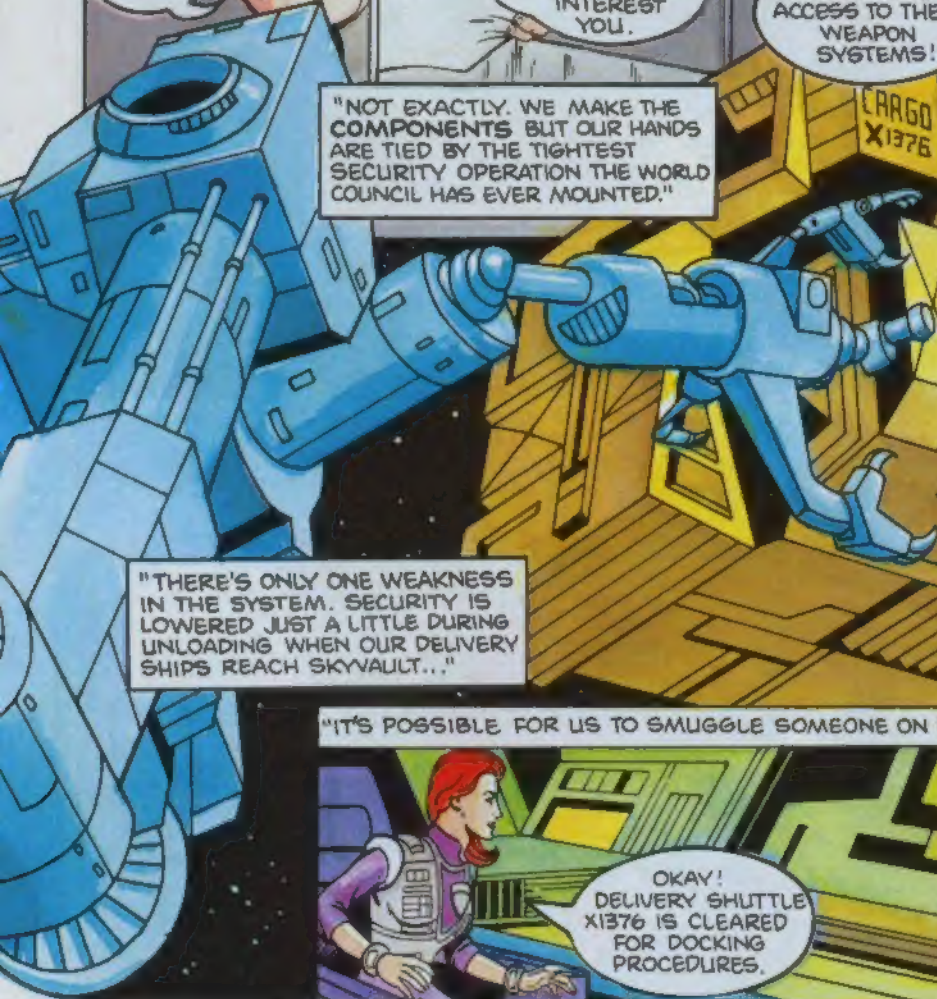

YOU MAY NOT KNOW IT, BUT MOST OF THE EQUIPMENT USED BY THE CENTURIONS IS MANUFACTURED BY US IN ITS BASIC FORM.

I THOUGHT THAT WOULD INTEREST YOU.

THE CENTURIONS?

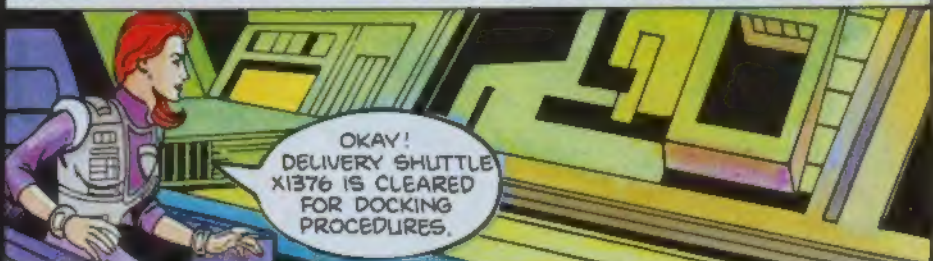

SO YOU MUST HAVE ACCESS TO THEIR WEAPON SYSTEMS!

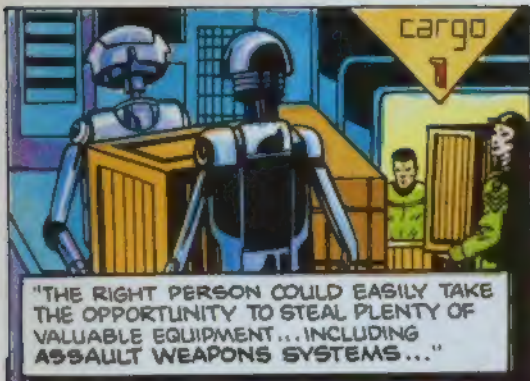

"NOT EXACTLY. WE MAKE THE COMPONENTS BUT OUR HANDS ARE TIED BY THE TIGHTEST SECURITY OPERATION THE WORLD COUNCIL HAS EVER MOUNTED."

"THERE'S ONLY ONE WEAKNESS IN THE SYSTEM. SECURITY IS LOWERED JUST A LITTLE DURING UNLOADING WHEN OUR DELIVERY SHIPS REACH SKYVAULT..."

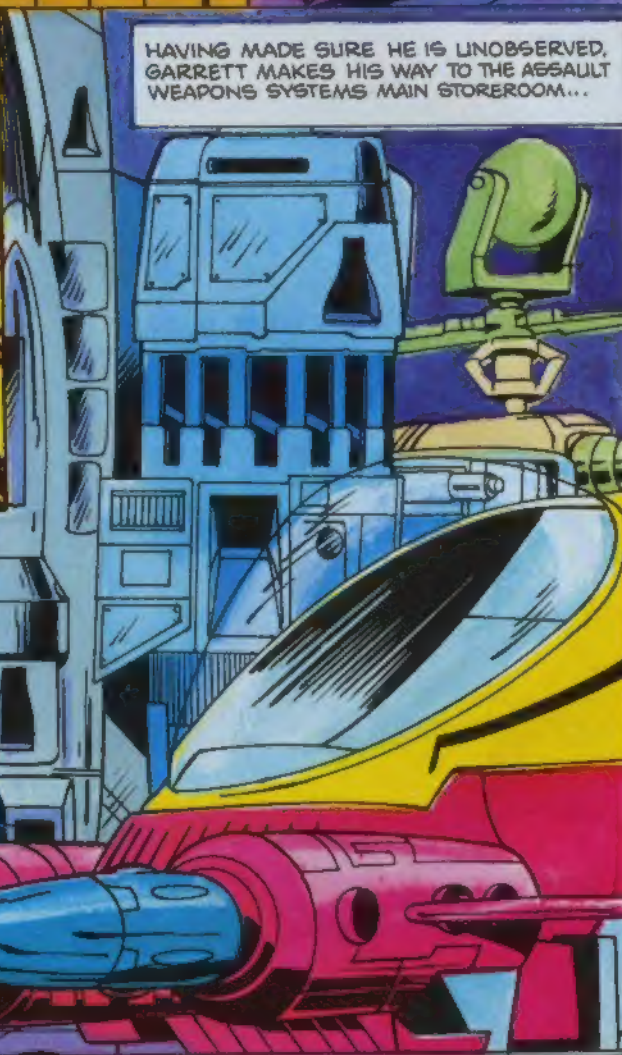

"IT'S POSSIBLE FOR US TO SMUGGLE SOMEONE ON BOARD ONE OF THE SHIPS..."

OKAY! DELIVERY SHUTTLE X1376 IS CLEARED FOR DOCKING PROCEDURES.

"THE RIGHT PERSON COULD EASILY TAKE THE OPPORTUNITY TO STEAL PLENTY OF VALUABLE EQUIPMENT...INCLUDING ASSAULT WEAPONS SYSTEMS..."

MEANWHILE, THE CENTURIONS HAVE TO DEAL WITH A CAPSIZED OIL-TANKER...

JUST WHAT I WAS LOOKING FOR...

HANG ON TIGHT!

SPLASH!

YEE-HAA!
GOODBYE, OIL SLICK!
THESE TANKERS ARE
ALWAYS FITTED WITH
CANISTERS OF
DISSIPATING FLUID
FOR EMERGENCIES
LIKE THIS!

BEFORE WE
CAN RIGHT THE
TANKER, I'LL HAVE TO
FIND SOME WAY TO
PLUG THIS GAPING HOLE...

THERE YOU
ARE. I'M GOING
BACK FOR SOME MORE
OF YOUR CREW.

BACK ON SKYVAULT...

HURRY UP, GARRETT. WE'VE ARRANGED A DIVERSION TO KEEP THE CENTURIONS OCCUPIED, BUT IT WON'T TAKE THEM TOO LONG TO SORT OUT!

OKAY, OKAY! I'M UNFOLDING THE MACRO-BAG NOW!

BUT IN THE CORNER OF THE ROOM, UNNOTICED BY GARRETT...

URK!

WILL YOU LOOK AT THIS...? I'VE NEVER SEEN A CENTURION IN A SUIT LIKE THIS. IT MUST BE A NEW MODEL.

I WONDER IF IT WOULD FIT ON MY EXOSUIT? THERE MUST BE A SWITCH HERE SOMEWHERE THAT UNHOOKS IT...

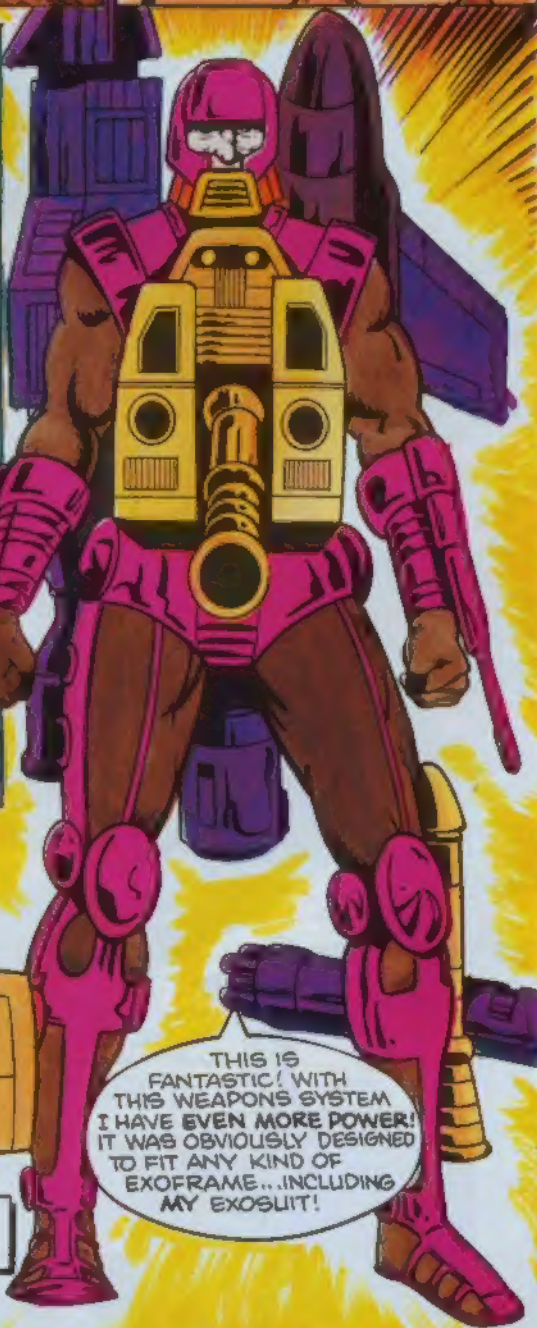

THIS MUST BE IT...

KLK

A FEW MINUTES LATER...

THIS IS FANTASTIC! WITH THIS WEAPONS SYSTEM I HAVE EVEN MORE POWER! IT WAS OBVIOUSLY DESIGNED TO FIT ANY KIND OF EXOFRAME...INCLUDING MY EXOSUIT!

WITH THIS I CAN COMPLETE MY JOB HERE WITH EASE AND DESTROY THE CENTURIONS IN THE PROCESS!

URRRGGH!

NOOO! I CAN'T MOVE! THE HOOKING SYSTEM HAS IMMOBILISED MY GUIT!

THUNK!

CLAP!

LUCY SOON EXPLAINS TO CRYSTAL WHAT HAS HAPPENED ...

IF YOU'RE READY TO BEAM BACK TO SKYVAULT, GUYS, THERE'S SOMEONE HERE I'M SURE YOU'D LIKE TO MEET. AN OLD FRIEND.

OKAY, CRYSTAL, WE'RE ABOUT DONE HERE. BRING US HOME!

SOON...

HA HA! WELL, GARRETT, AFTER WE LOST YOU LAST TIME, I NEVER EXPECTED TO FIND YOU "HANGING AROUND" HERE!

GRRR! YOU'LL SUFFER FOR THIS, CENTURION! IF ONLY THIS HOOK-UP SYSTEM DIDN'T DRAIN MY SUIT OF ALL ITS POWER...

HA! HA! HA!

LATER, SWEETMAN AND CLARKE ARE CALLED IN TO SEE THE TOP MAN AT LUDWELL INDUSTRIES..

SO, GENTLEMEN, YOU FAILED TO SECURE THE PROJECT CENTURION HARDWARE. THWARTED, AS I UNDERSTAND, BY A MERE APE!

HA! HA! NEVER MIND, WE ARE IN BUSINESS HERE. SOME YOU WIN, SOME YOU LOSE. ULTIMATELY, NOTHING CAN STOP US!

FACT FILE: WILD WEASEL

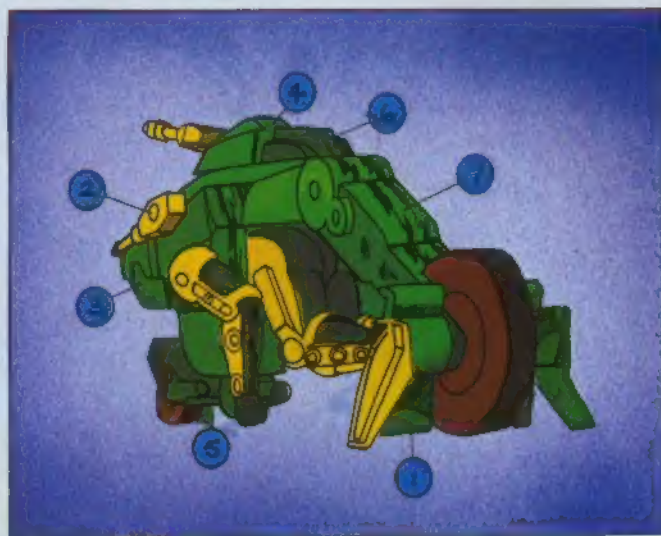

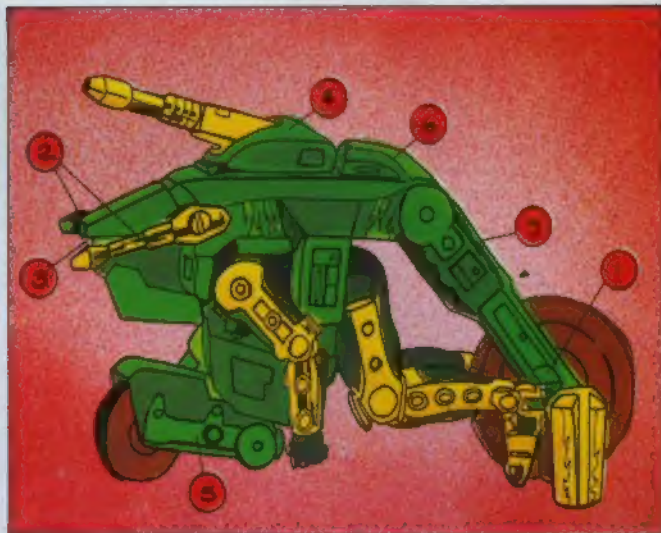

Operative: Jake Rockwell, land operations.

Modes: SURVEILLANCE and ATTACK.

Details: Wild Weasel is an exclusively ground-based Weapons System, designed to cope with thick forests or very rugged terrain. It travels at high speed on wheels, requiring the utmost skill from the operator. Having a protective face shield and back shell, it is ideally equipped for smashing through barriers and deflecting laser fire. For guidance, Wild Weasel has a back-mounted sensor locator, enabling the operator to track any target.

Specifications:

- (1) Stabilizer struts/foot pads
- (2) Side-mounted laser cannons
- (3) Protective head shield
- (4) Front Assault Weapons System module
- (5) Modular wheel assembly
- (6) Back-mounted target locator
- (7) Protective back shell

POWER POST

Hello! We've had mountains of mail to the Centurions Comic and I've had a massive job programming it into the Skyvault Central Computer. Here's a very small selection of your questions and comments.—Crystal.

DEAR MAX,

I think the Centurions Comic is excellent. You're my favourite character and your weapons are by far the best. I also like Shadow. Tell me please, are your weapons heavy? What are they made of? Surely you cannot lift them.

Richard Albrow, Norwich, Norfolk.

Thanks for that vote of confidence, Richard! You have an interesting question about our Assault Weapons Systems there. Unfortunately, making them is classified, but I can tell you that they are a lot more lightweight than they look. All the same, we don't have to actually "lift" them, because they are internally powered through their link with Skyvault.—Max.

DEAR CENTURIONS,

I think your comic is the best in the world but where do Shadow and Lucy come in? Could you do a comic where they both save the Centurions?

Richard Tyrell, Feltham, Middlesex.

Another Richard? And another fan of my dog, Shadow, to boot! I hope you enjoyed the story, "FURLOUGH", in issue 5 of our comic. Shadow sure pulled the fat out of the fire for us all that time! As to your other favourite, Lucy the Orangutang, if you haven't already read the story, "NOTHING CAN STOP US!", in this very issue, then do so right away. I'm sure you'll like it!—Jake.

DEAR ACE,

I think the Centurions Comic is the best around and it gets better each issue. Could you tell me the difference between: (1) a Traumatizer; (2) a Doom Drone; (3) a Strafer?

Matthew Drange, Rainhill, Merseyside.

I can tell you the similarity between them, Matthew...they're all deadly! Seriously, though, Traumatizers are Terror's ground-based war droids, whereas Doom Drones are his robot "planes". Strafers, or Doom Drone Strafers, as Doc Terror usually calls them, are just heavily armed versions of the basic Doom Drones.—Ace.

COMPUTER CENTURIONS!

Luke Aldridge of Harrow, Middlesex, has sent in these computer graphics pictures of me and my dog. Shadow seems quite pleased with the print-out of him. But, Luke, is that really supposed to be me? Hmm.—Jake.

FLYING FORTRESS, HOVERING
JUST ABOVE THE STADIUM

BACK IN THE STADIUM

ACE TO CRYSTAL TERROR IS MOUNTING A MASS STRAFER ASSAULT ON SKYVAULT AM NOT EXPECTING AS MANY AS POSSIBLE

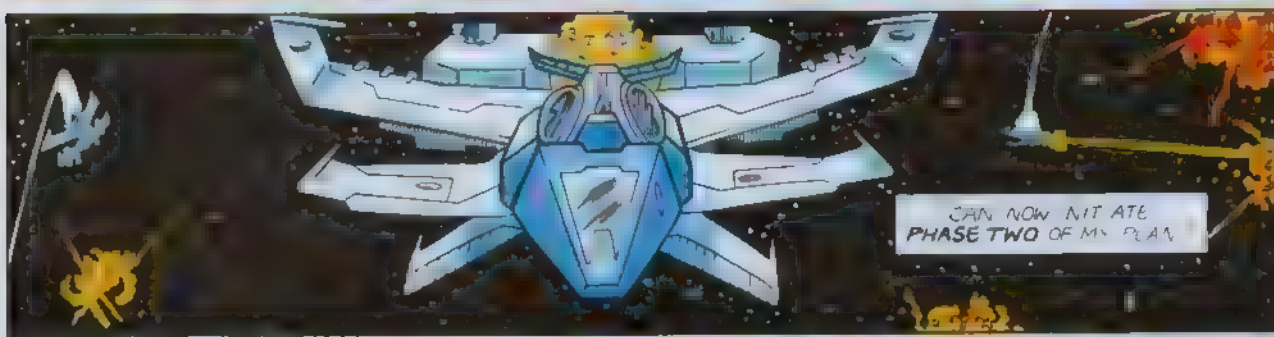

BE CAREFUL ACE DOC TERROR KNOWS THAT HE CAN'T BREAK THROUGH OUR DEFENCES SO HE MUST HAVE SOME KIND OF TRICK UP HIS SLEEVE

SURE ENOUGH

LOOK AT THAT DOC WE'RE GETTING NOWHERE WITH THIS

ON THE CONTRARY, HACKER I HAVE McCLOUD FULLY OCCUPIED

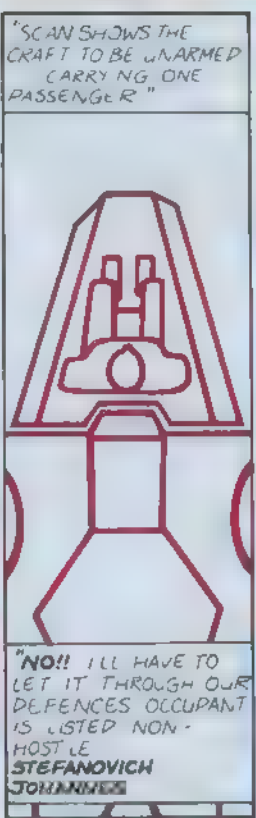

CAN NOW INITIATE PHASE TWO OF MY PLAN

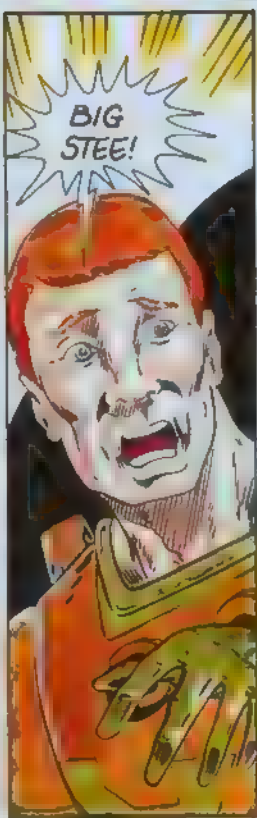

ON SKYVAULT

LOOK AT THIS TERRORS LAUNCHED ANOTHER SPACECRAFT AM RUNNING A COMPUTER CHECK ON IT NOW THIS COULD BE HIS TRICK, MAX!

"SCAN SHOWS THE CRAFT TO BE UNARMED CARRYING ONE PASSENGER"

"NO!! I'LL HAVE TO LET IT THROUGH OUR DEFENCES OCCUPANT IS LISTED NON-HOSTILE STEFANOVICH JOHANNES"

FACT FILE: SKYBOLT

Operative: Ace McCloud.

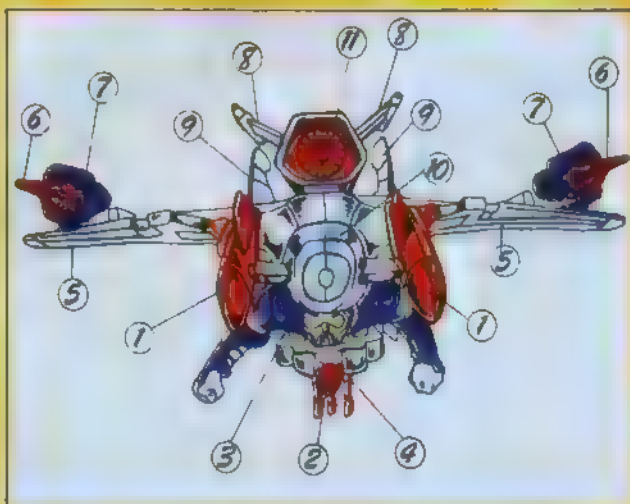

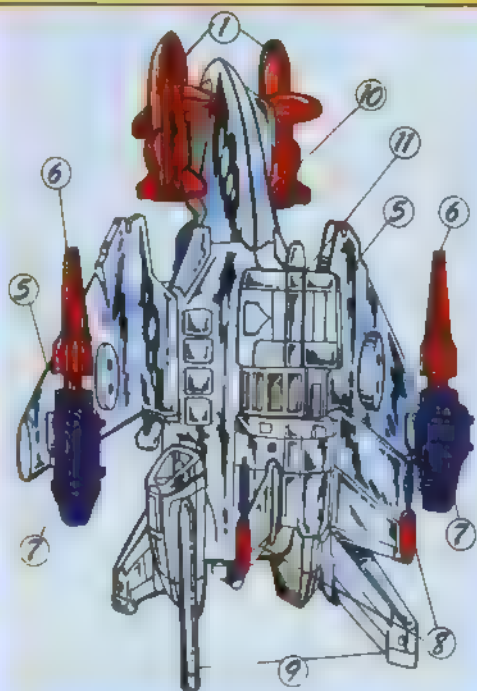

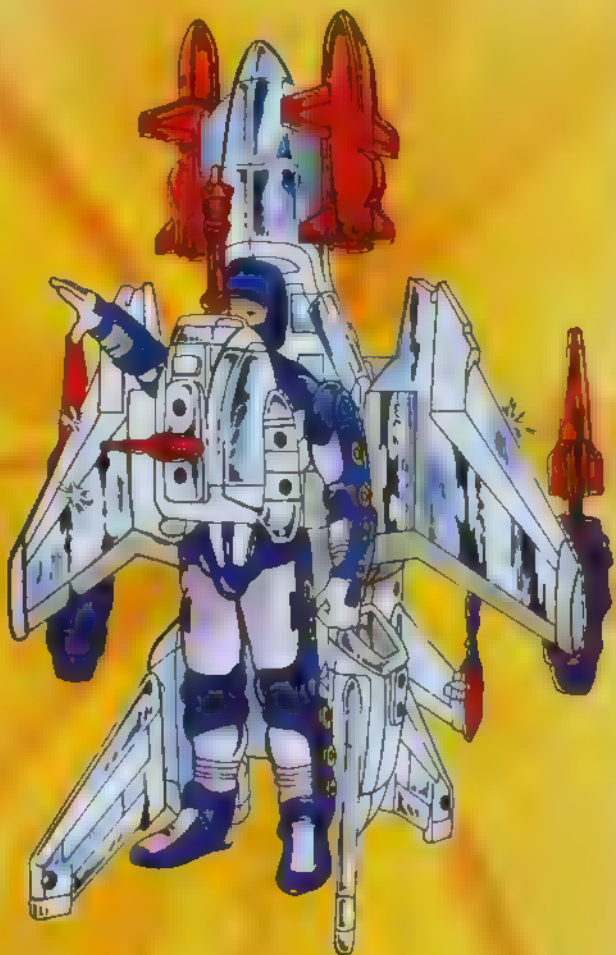

Air Operations

Modes: ATTACK only

Details: Skybolt is a fantastically powerful Assault Weapons System when it comes to all out attacks. Unlike Orbata, Interceptor however, it cannot be used in space. Its limit is the upper atmosphere where it can operate just as well as it can nearer the ground. When a mission calls for massive air reinforcement, then Skybolt is the number one choice and it has helped Ace go up against almost impossible odds on many occasions.

Specifications:

- (1) Two galactic missiles
- (2) Pulse cannon
- (3) Helmet
- (4) Stealth cloaking device
- (5) Two modular invertible wings
- (6) Two heat seeking missiles
- (7) Two missile launchers
- (8) Two radar tracking wings
- (9) Two booster/stabilizer pods
- (10) Back Assault Weapons System module
- (11) Rotating turbine

TERROR TAKES CONTROL

FAAATO OOOOM!

A POWER MAD DOC TERROR GLOATS TO HIS EVIL HENCHMAN, HACKER, AS HIS LATEST PLAN IS PUT INTO ACTION...

MY TERROR-LITE WILL SOON BE IN A GEO-STATIONARY ORBIT ABOVE THIS P.T.F.J.L. WORLD, HACKER. ONCE IT IS THERE I WILL BE ABLE TO COMPLETE THE FINAL PART OF MY BRILLIANT PLAN!

HOW WILL ADDING ONE MORE LUMP OF SPACE JUNK TO THE HEAVENS HELP US, DOC TERROR?

"ONCE THE ROCKET IS IN ORBIT I WILL RELEASE MY NEW HYPER-MODULATOR! ITS BEAMS ARE CAPABLE OF OVER-RIDING ANY ELECTRONIC SIGNAL I WISH."

"SKYVAULT, THE CENTURIONS' ORBITING HEADQUARTERS, HAS AN OVER-RIDE SEQUENCE WHICH ALLOWS THEM TO TAKE CONTROL OF THE CENTURION EXO-FRAMES IN TIMES OF EMERGENCY..."

"THAT 'SAFETY FEATURE' WILL BE THEIR DOWN-FALL."

NOW THAT MY HYPER-MODULATOR IS OPERATIONAL I WILL BE ABLE TO TAKE CONTROL OF THE CENTURIONS' EXO-FRAMES AND FORCE THE CENTURIONS TO DESTROY THEMSELVES!"

MEANWHILE,

IT LOOKS LIKE AGENT BODEY'S INFO IS RIGHT AGAIN! THIS ISLAND HAS ALL THE HALLMARKS OF A TERROR

YOU DON'T SAY! AND I THOUGHT TRAUMATIZERS WERE JUST HERE BY CHANCE.

LET'S MAKE AS BIG A SHOW OF THIS AS WE CAN, WE HAVE TO BUY AS MUCH TIME AS POSSIBLE FOR JAKE TO MAKE HIS GROUND-LEVEL ATTACK!

WE'LL STOP YOUR YAPPING AND GET BLASTING!

"I BET OLD JAKEY BOY IS HAVING A FINE TIME DOWN THERE WHILE WE TAKE ALL THE FLACK..."

DRAT! I THOUGHT I'D BE ABLE TO GET MUCH CLOSER THAN THIS BEFORE TERROR'S MIN CANS FOUND ME!

MEANWHILE, ON ANOTHER PART OF THE ISLAND IN HIS SECRET HIDEOUT

PERFECT! THE FOOLHARDY CENTURIONS HAVE FALLEN INTO MY TRAP! MY 'CLUES' HAVE LED THEM TO THIS ISLAND... AND MY HYPER-MODULATOR WILL ENSURE THAT THEY WILL NEVER LEAVE HERE ALIVE!

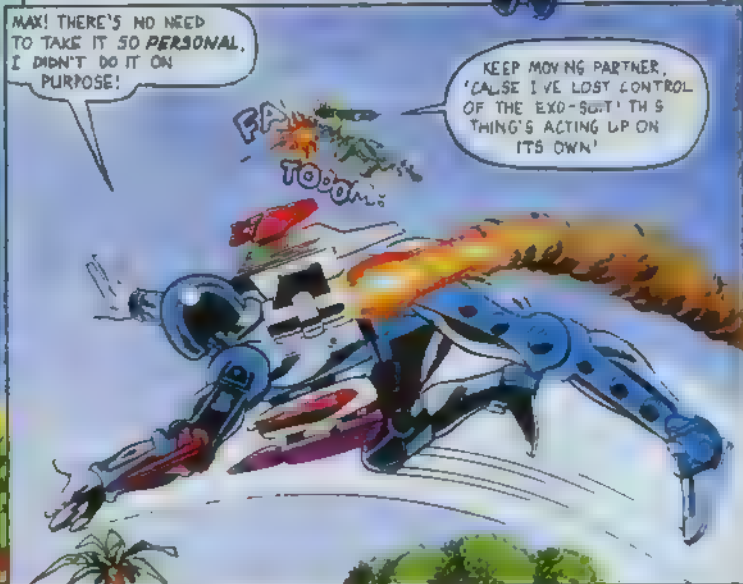

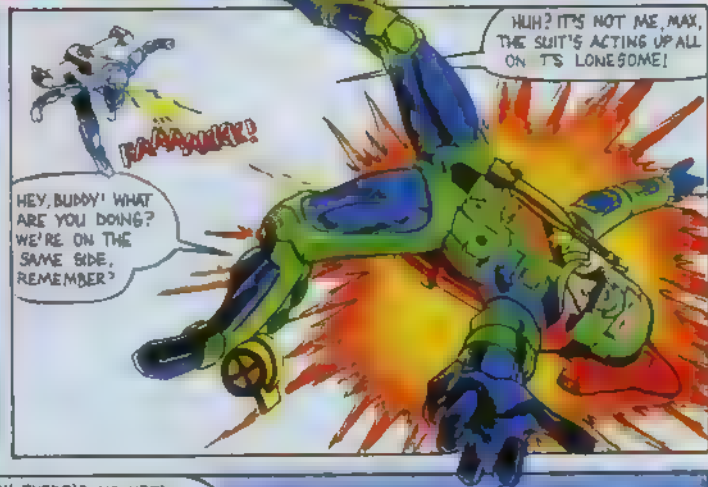

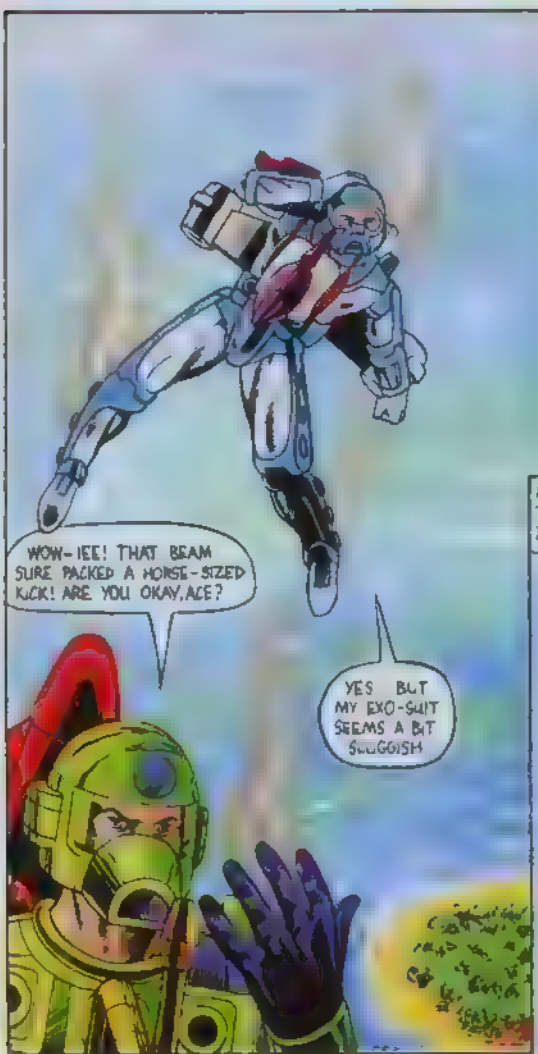

WELL TERROR'S GOING TO LEARN THAT FINDING ME IS HALF THE

STOPPING ME IS THE HARD PART!

THE BEAM SHOULD STRIKE ANY SECOND...

"NOW..."

KAZAM! KAAM!

WITHIN MOMENTS
THE SKYVAULT
SENSORS IDENTIFY
WHAT IS
HAPPENING TO
THE CENTURIONS'
ASSAULT WEAPONS
SYSTEMS...

SUIT
OVER-RIDE
CONFIRMED

THE SUITS
ARE NO LONGER
UNDER THEIR CONTROL!
THE COMMAND SYSTEMS HAVE
BEEN TAKEN OVER. THE GUYS
ARE HELPLESS...AND I CAN
GUESS WHO IS BEHIND IT!

MR KANE! WE'VE TRACKED
AN UNUSUAL POWER-SOURCE
ON OUR PLANET-SCANNERS.
ITS VECTOR MATCHES WHERE
THE CENTURIONS ARE!

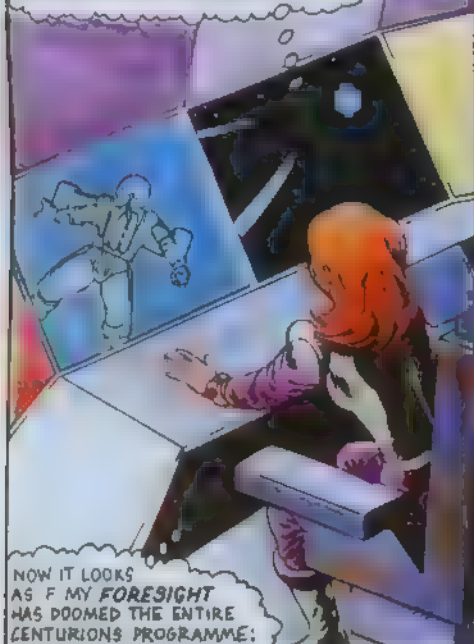

JUST GIVE
ME THE FACTS...
WITH THE CENTURIONS
FIGHTING AGAINST
EACH OTHER WE HAVE
ONLY MINUTES TO ACT!

"NOW THAT WE KNOW
WHERE TERROR'S
WEAPON IS, LET'S
KNOCK IT OUT..."

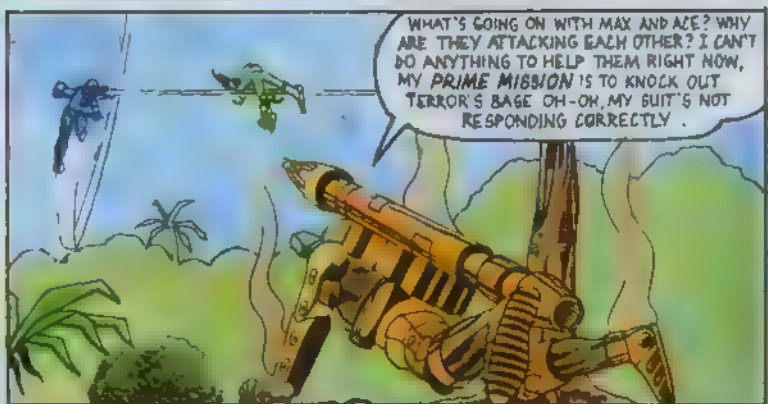

INSIDE SKYVAULT CRYSTAL KANE IS FULL OF
APPREHENSION AS SHE WATCHES THE MONITORS...

AS A SAFETY DEVICE I ARRANGED FOR
THE EXO-SUITS TO HAVE AN OVER-RIDE
SYSTEM. IT WAS SUPPOSED TO STOP
TERROR FROM STEALING ONE OF OUR
SUITS AND USING IT AGAINST US...

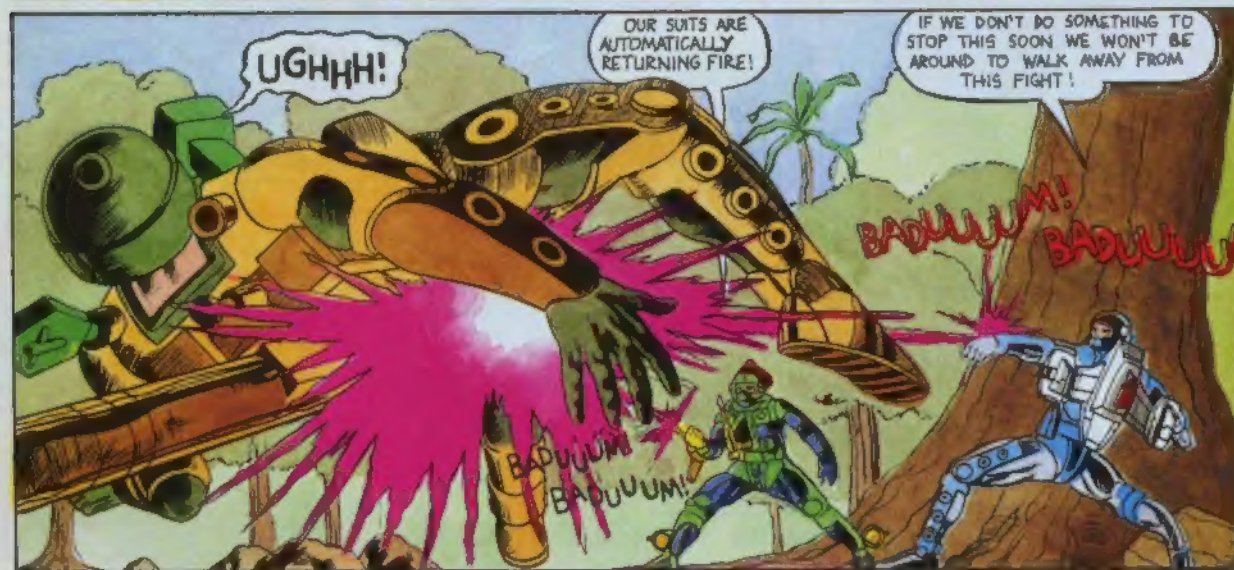

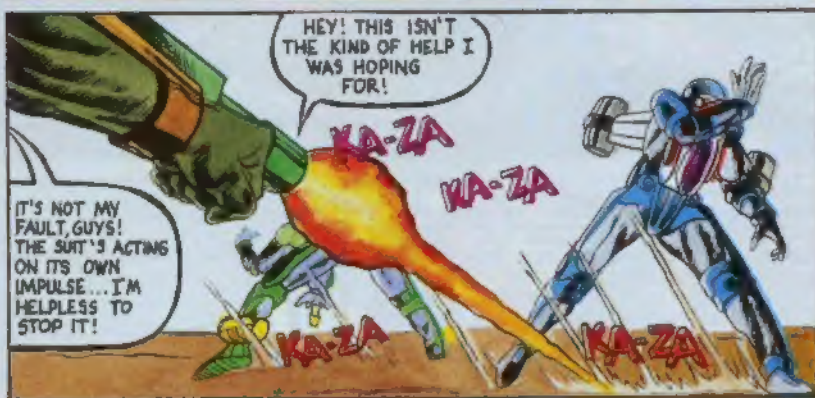

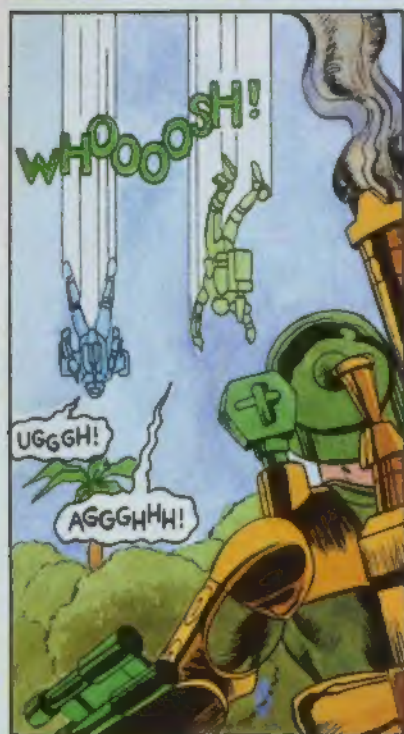

NOW IT LOOKS
AS IF MY FORESIGHT
HAS DOOMED THE ENTIRE
CENTURIONS PROGRAMME!

WHAT'S GOING ON WITH MAX AND ACE? WHY
ARE THEY ATTACKING EACH OTHER? I CAN'T
DO ANYTHING TO HELP THEM RIGHT NOW,
MY PRIME MISSION IS TO KNOCK OUT
TERROR'S BASE. OH-OH, MY SUIT'S NOT
RESPONDING CORRECTLY.

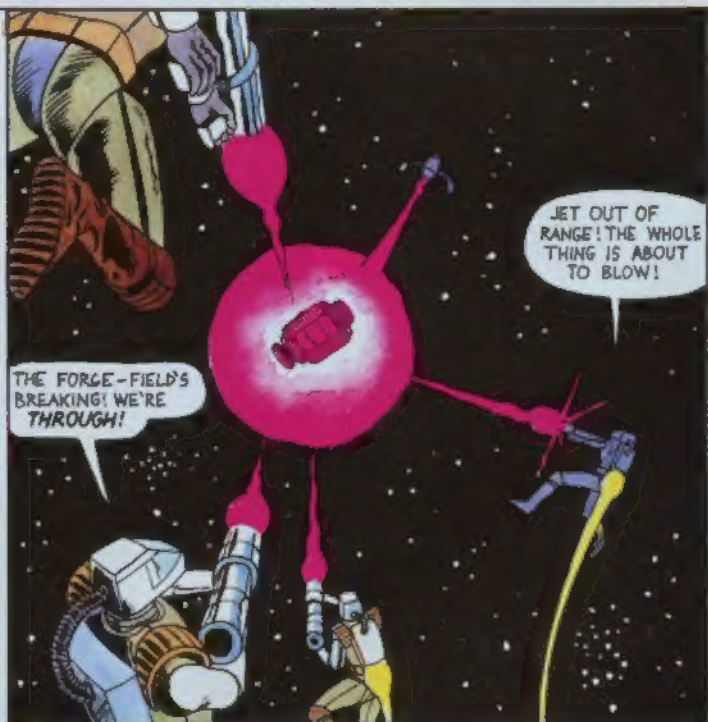

WHAT ON...? I'VE LOST CONTROL OF MY EXO-SUIT!
MY PLASMA-SHELL HAS LAUNCHED
ITSELF AT MY FRIENDS... AND I'M
HELPLESS TO DO ANYTHING
ABOUT IT!

AS THE COURAGEOUS CENTURIONS BATTLE ON EARTH,
A FAR MORE IMPORTANT FIGHT IS WAGED IN THE
HEAVENS ABOVE...

MEANWHILE, ON TERROR'S ISLAND...

I'M SORRY, GUYS!
I CAN'T HELP
MYSELF!

LIKEWISE, ACE! WE'RE
POWERLESS!

PRETTY SOON ONE OF
US IS GOING TO GET
PERMANENTLY
DAMAGED!

SUDDENLY...

HOLD UP, GUYS!
SOMETHING HAS
HAPPENED TO
MY SUIT!

I KNOW WHAT YOU MEAN. ALL MY MASTER
CIRCUITS HAVE CLICKED BACK INTO
USER CONTROL!

AT THAT MOMENT, ON THE OTHER SIDE OF THE ISLAND...

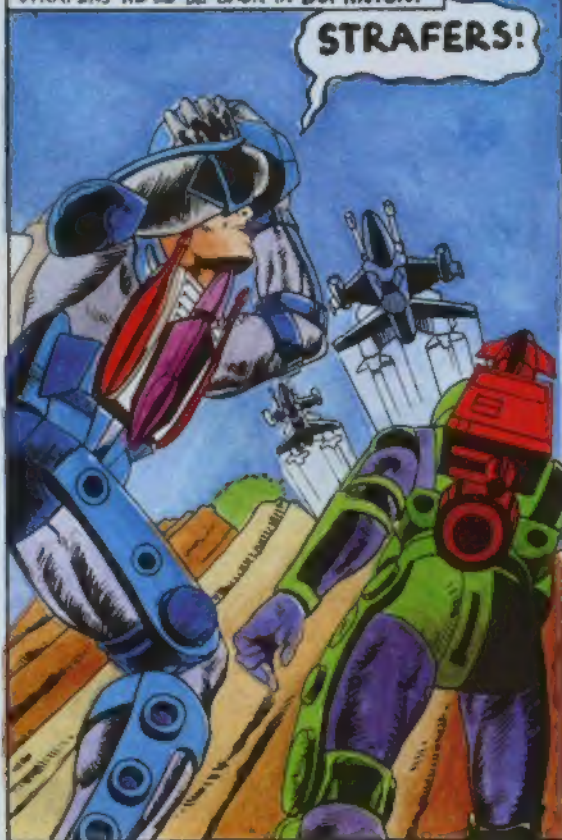

CURSES! SKYVAULT HAS
BEEN ABLE TO KNOCK OUT
MY SATELLITE! MY HYPER-
MODULATOR IS USELESS!

I'LL ORDER OUR
DOOM DRONE STRAFERS
INTO THE ATTACK!

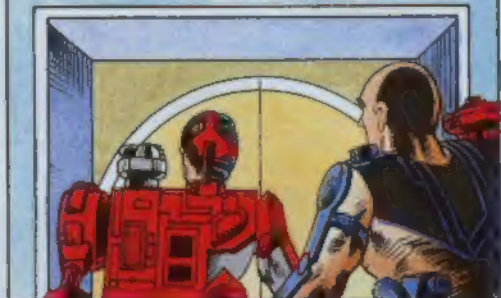

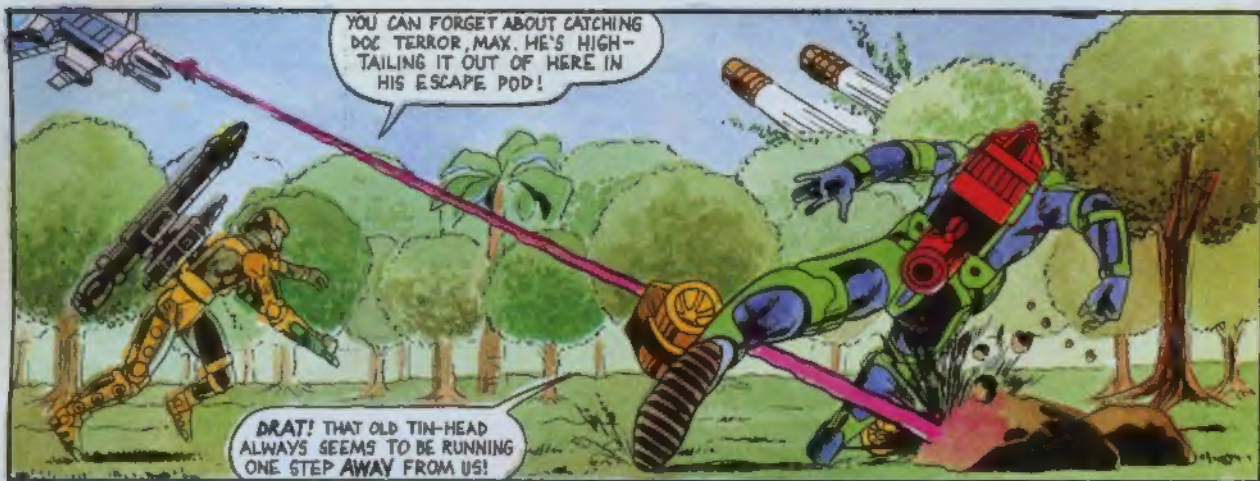

BY THE TIME THE CENTURIONS HAVE DEALT WITH THE STRAFERS WE'LL BE BACK IN DOMINION!

STRAFERS!

ESCAPE POD

YOU CAN FORGET ABOUT CATCHING DOC TERROR, MAX. HE'S HIGH-TAILING IT OUT OF HERE IN HIS ESCAPE POD!

DRA! THAT OLD TIN-HEAD ALWAYS SEEMS TO BE RUNNING ONE STEP AWAY FROM US!

I HOPE CRYSTAL CAN EXPLAIN TO US WHAT HAPPENED WITH OUR SUITS BECAUSE I SURE CAN'T!

IT WON'T TAKE LONG TO KNOCK THESE REMAINING STRAFERS OUT... AND THEN IT'S BACK TO SKYVAULT!

AFTER THE CENTURIUNS HAVE TAKEN CARE OF TERROR'S STRAFERS...

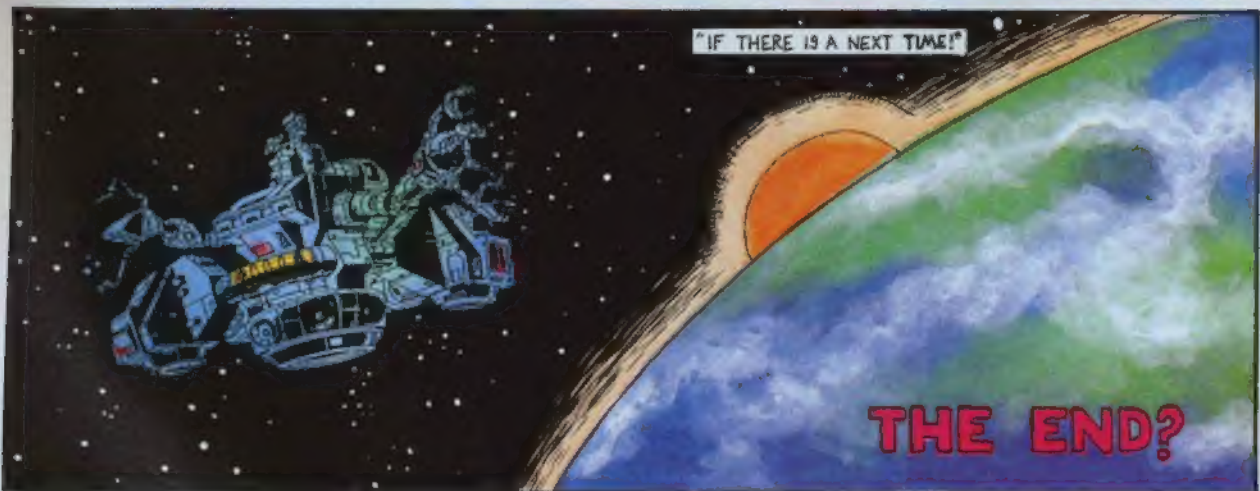

DON'T THANK ME, IT WAS THE **SKYVAULT DEFENCE FORCE** THAT KNOCKED OUT TERROR'S SATELLITE, THAT STOPPED THE SIGNAL THAT WAS CONTROLLING YOUR SUITS.

THOSE BOYS SURE DID A GOOD JOB... BUT WHAT HAPPENS IF TERROR DECIDES TO USE THE SAME PLAN AGAIN?

DON'T WORRY, WE'VE MODIFIED THE SUITS TO STOP THAT HAPPENING AGAIN. YOU NO LONGER HAVE THE OVER-RIDE LOCKED INTO YOUR CIRCUITS.

SO THE **NEXT TIME** TERROR TRIES TO TAKE OVER THE WORLD WE'LL BE THERE TO STOP HIM.

"IF THERE IS A NEXT TIME!"

THE END?
